The free guestbook service that was used on the website was discontinued by the vendor. For the interim, the guestbook buttons have been removed from the website.

We are currently looking for a suitable replacement. Once we locate one, the buttons will be restored.

Notes Received from last month

Received from Navy:togetherweserve that Roy Fitzpatrick born April 9,1942 died Feb. 5,2014 at home with his family by his side. Wife was Lucille. Retire from Leavenworth, Ks. police department in 2004 after having retired from the Navy.

While at San Francisco a question was asked by members about asbestos exposure. Some of the information gathered so far is from va website and mesothelioma.com. Basically all of the navies' destroyers are on mesothelioma.com list for exposure to asbestos which includes the Edwards. From what I gather from the Va website so far is if you did not have it when you separated from the navy you will have to prove the condition and that it is linked to asbestos exposure. You have to prove that the only place you came into contact with is while in the navy. The site pointed out that there are more places for contact other than service related. Both sites have a lot of information on them to write it all down here. If anyone has more information, please let me know and it will be added to future newsletter.
